Jim and Pam,

Attached please find a copy of the Town of Salina's latest proposal regarding the disposal of Lower Ley Creek dredged sediments at the former Town of Salina landfill site. Although we know that Lauren is on maternity leave, we nevertheless addressed the letter to her attention based on her previous involvement with the landfill and the Town of Salina.

At this point we are forwarding this correspondence to EPA's attention. However, we fully understand that this proposal will be shared with the larger PRP group. Therefore, upon your review, please feel free to forward the correspondence on to the various parties that have been participating our regular conference calls.

If you have any questions, please feel free to contact me.

Frank
